

**Meet [Student name] and Watch Them Blossom with Your Hifz Sponsorship**

# **Your First Donor Report from Ethiopia**

# Salaam [NAME OF SPONSOR],

**We're so pleased to have you on board with our Health, Hifz and Happiness programme.**

## **Our Ethiopia Profile**

Africa's longest and most severe drought has plunged Ethiopia into crisis. Dead livestock lie strewn across the horizon as Ethiopians make do with just 10% of their crops. With 1 in 4 districts now facing a nutrition crisis, millions of children are fighting for their lives.

Through your sponsorship, a child in Ethiopia can dare to hope and has the chance to build themselves a better future.

Note: Please ensure all reports relating to your Hifz sponsorship are not publicised as they are tailored for your individual insight only.
